The attention of bidders submitting proposals for the above-referenced project is called to the following Addendum to the specifications. The items set forth herein, whether of omission, addition, substitution or other change, are all to be included in and form a part of the proposed Contract Documents for the work. Bidders shall acknowledge this Addendum in the Bid Proposal by inserting its number on Page 00203-1.

- NEW BID OPENING DATE:
BIDS ARE NOW DUE ON DECEMBER 8, 2016 AT 2:00 PM

- *The following is in response to RFI received:*

Q1: Where is Section 09705 POURED EPOXY FLOOR SYSTEM - ACCELEL4 NC SYSTEM, being applied to: Entire floor for both levels?

A1: **The new decking at upper level. Not over the concrete only the supported deck. This includes the deck extension.**

Q2: Is there someone at Wagner Company (for the steel railings) that you worked with on the deck expansion?

A2: **Gary Byram at Apex Lighting 860.632.8766 (office) would be the local contact regarding the Wagner Aluminum tope rail and wire railing system. Any steel to remain is the structure, stair stringers and stair steel posts only.**

Thank you for your patience, time and consideration.
