FOR IMMEDIATE RELEASE

Get rid of unwanted drugs at National Take-Back Day, Saturday, October 28, 2017

WEST HARTFORD, CONN. (October 17, 2017) – On Saturday, October 28, 2017, the West Hartford Police Department, the West Hartford-Bloomfield Health District and the federal Drug Enforcement Administration will coordinate a collaborative effort to remove unwanted and unused pharmaceutical-controlled substances and other medicine during National Take-Back Day.

Collection activities will take place at the Department of Public Works, 17 Brixton Street from 10:00 AM to 2:00 PM. (Please note new location). The program is anonymous and free of charge. Enter via Raymond Road; volunteers will be on hand to take items from your vehicle.

National Take-Back Day provides an opportunity for the public to surrender expired, unwanted, or unused pharmaceutical controlled substances and other medications for destruction. These drugs are a potential source for illegal use and are an unacceptable risk to public health and safety.

Prescription and over the counter solid dosage medications, i.e. tablets and capsules will be accepted.

NOT ACCEPTED: Intra-venous solutions, injectable medicines, and needles will not be accepted. Illicit substances such as marijuana or methamphetamine are not a part of this initiative.

For more information, contact the West Hartford Police Department at (860) 570-8845.
