FOR IMMEDIATE RELEASE

Morley Backpack Brigade comes to Town Hall on Tuesday, June 13 PHOTO OPPORTUNITY

WEST HARTFORD, CONN. (May 23, 2017) – Known as the Backpack Brigade, students, staff, and families from Morley Elementary School will make the one mile trek to Town Hall with new backpacks on Tuesday, June 13 (rain date: Wednesday, June 14).

Students will leave Morley School, 77 Bretton Road, around 9:00 AM and arrive at Town Hall, 50 South Main Street, around 9:30 AM.

Each year, Morley School donates backpacks for West Hartford Social Services' Back to School program. The Back to School Program provides new backpacks and gift cards for school supplies to students in need. Last year, more than 650 students in grades K-12 benefitted from this program, which is made possible through the generous support of our community partners and individual donors.
