## **Tax bills mailed for second Installment of Real Estate and Business Property, as well as vehicles registered after the October 1 Grand List**

WEST HARTFORD, CONN. (December 20, 2017) – On Friday, December 15, the West Hartford Revenue Collection office sent second installment real estate, business personal property, and supplemental motor vehicle tax bills.

Nearly nine thousand people who registered a new car after October 1, 2016 and before August 1, 2017, have received a supplemental motor vehicle tax bill calculated at the original 32 mills.

The Town Council agreed not to increase the mill rate for vehicles, even though that was an option available to municipalities.

“The supplemental motor vehicle bill serves to capture those vehicles purchased after the October 1, 2016 Grand List,” said Helene Lefkowitz, Revenue Collector. “These bills should not be confused with a mill rate adjustment,” she said.

For real estate, tax bills are mailed twice each year. The first installment bills are mailed mid-to-late June and the second installment mid-December. The 2017-2018 mill rate for real estate and business personal property is 41.04 mills.

Payment is due January 1, 2018. The last day to pay without penalty is Thursday, February 1, 2018.
