

# West Hartford Brazil CT Summer Soccer Program

**We are excited to be back in West Hartford this summer!**

Our program was started in 2011 by Everson Maciel, born in Brazil, and former professional soccer player in Brazil, USA and Malaysia. Well known throughout CT amongst most soccer enthusiasts, our program provides a unique training experience to players due to the intensity during training and focuses on developing player's creativity and passion for the game. Also, for players that are interested in competing, we provide options to join tournaments. Our coaches are highly qualified and always make sure your child is learning but is also having fun and enjoying their time at practice. As players meet to practice and compete throughout the summer, chances are great that they will see their teammates every summer and make new friends.

Brazil CT Summer Program has become a 9 year tradition in CT and is one of the most exciting seasons for us...nice weather, high energy and the opportunity to share our passion with players!

We want your child to have an experience of a lifetime so join us today!

**For more information about our programs, please visit our website at [BrazilCT.com](http://BrazilCT.com).**

**Brazukinha Program** (ages 5 & 6) is to train and generate children's interest for soccer during the summer months. Sessions will teach soccer skills in a non-competitive, educational and fun environment.

**Brazuca Program** (ages 7 & 8) is carefully designed for players with the intent of working on skills in team settings. We want our young players to understand team concept and introduction to real games in an extremely fun environment.

**Select Program** (ages 9 to 13) is designed for players looking for additional soccer development during the summer months. It is also a great opportunity to play with players from different clubs. Players will have the option to participate in out of state and local tournaments.

**College Showcase Program** (ages 14 to 18) will get our players prepared during the summer months for their upcoming high school season and to get some colleges showcase opportunities.

## What to Bring:

Lots of water, shin guards (mandatory), outdoor cleats or sneakers, soccer ball (size 4 for ages 5-12, size 5 for ages 13 & older).
