Public Input on Kiosks

As a result of public input, we have implemented a few features to the kiosks:

- **Accepting Dollar Coins** for folks who prefer not to use credit cards.
- **Replaced Header Decals** to explicitly show 25¢ in coin(s) = 10 minutes.
- **Replaced Display Screens** to reduce solar glares and reflections.
- **Raised the elevation** by 3 inches for better viewing.

Zone Locations - Where? And Why?

There are 2 zones in West Hartford Central Business District.

Zone 860: All curb side spaces, Arapahoe lot at Arapahoe Rd & Lasalle Rd, and Raymond Rd lot adjacent to REI. 2-hour parking duration at these locations.

Zone 475: Farmington parking lot entered via Farmington Ave or LaSalle Rd.

There is no maximum duration. Same rate structure as on-street parking.

However, the lot offers 30-minute FREE parking for quick errands (e.g. Banking, Take out)

Take advantage of the free half hour for those quick trips to the center. But don't forget to register your plate.

How are the kiosks doing?
