February 2015

Since August of 2008, West Hartford Municipal Parking has been providing a Workforce Parking Program, designed to offer affordable parking solutions to service employees of West Hartford Center and Blue Back Square. The program is geared for workforce employees, part-time or full-time, with limitation on wage rate. Qualified candidates would be employees of the Center or the Square in the service sector with wage rate at \$15/hour or under. The program offers tremendous flexibility supporting most schedules: Full-time, Part-time, Day or Evening shift. Confirmation of employment and wage qualification would be provided by the employers to affirm with Municipal Parking of those interested in participating in the Workforce Parking Program.

### PLAN DEFINITIONS

**PREPAY by USAGE PLAN:** Employers can establish a pre-paid by usage account with Municipal Parking, with an initial start of \$60 per access card. The plan would offer the user a flat rate of \$3 for each parking visit with a maximum duration of 8 hours per visit. After 8 hours, an additional fee of \$3 would apply for every 8-hour increment thereafter. We do have a built-in grace period to accommodate for travel time to and from the parking facility. A \$60 pre-paid account would pay for approximately 20 visits under this plan. The following table illustrates the cost comparison between our market rate and workforce rate.

SAVINGS COMPARISON			
Duration	Market Rate	Workforce Rate	Savings
2 hr	\$3.00	\$3.00	0
4 hr	\$6.00	\$3.00	\$3 or 50%
8 hr	\$7.00	\$3.00	\$4 or 57%
10 hr	\$7.00	\$6.00	\$1 or 14%

Workforce parking is limited to Isham and Memorial garages where we have the space availabilities to accommodate the needs at discounted values.
